YOUR HAVING SEX AND YOUR DICK IS THE HARDEST IT HAS EVER BEEN. WHAT DOES YOUR DICK FEEL LIKE? CAN YOU FEEL THE FULLNESS OF IT? THE BLOOD PUMPING INTO IT? DESCRIBE THIS IN DETAL.

WRITE A FANTASY ABOUT HAVING SEX AND BEING COMPLETELY HARD THE ENTIRE TIME.

If you're having trouble imagining or scripting, write about something that is complete fantasy. You're not trying to get this stuff to happen. Scripting is about feeling the experience in your body in the same way you have an internal experience when you watch tv or read a book. Imagine aliens came down and fixed your dick permanently. Imagine a goddess with a magic wand cured you. Imagine you just had the best sex of your entire life with the hardest cock you have ever had. it does not matter the story - whether it's real or believable - it only matters the internal experience you are having. get creative, have fun and do this daily. expand your mind and imagination.
